

Haddon Heights School District
Haddon Heights, NJ

Anticipated Opening

Math Specialist - Long Term Substitute Teacher Position
Seventh Avenue School
No Benefits
October 20, 2017 through March 9, 2018

Applicants for this position will work to create a student-centered environment that promotes learning and social growth; establish positive rapport with students; motivate students to develop good study skills, work habits, respectful attitudes, and the knowledge needed to provide a good foundation for becoming lifelong learners. Applicants will work to establish positive relationships with parents and staff members.

All applicants should have a good understanding of the NJ Student Learning Standards in the area of Math, Go Math curriculum, Technology (smartboards, chromebooks, etc.). Applicant must be able to provide whole and/or differentiated small group instruction designed to meet individual needs and learning styles of the students. Applicants must evaluate the academic growth of the students using data, keep appropriate records and communicate progress with parents and administration through a variety of means. Applicants will be expected to collaborate with other staff members in assessing and helping pupils succeed. Applicants must also have knowledge of best classroom and co-teaching strategies.

Applicants must possess:
Required: PreK-3, K-5, K-6 or K-8
Preferred: Math Certification

Send a letter of interest, resume and copy of certifications to:

Chris Ormsby, Principal
