Director of Special Education

August 7, 2017

The Haddon Heights School District is pleased to announce our 1 to 1 Chromebook program. As we continue to prepare students to meet the challenges of a dynamic global society, providing students and teachers with technology tools and skills are essential to the educational process and a crucial part of learning.

All students in grades K-12 will be provided with a Chromebook device. Students in grades 4-12 will be issued a Chromebook for use in and outside of school. Students in grade 3 will utilize the Chromebooks in their classroom for the first half of the year. This will serve as a transition period so they can be prepared for proper care and usage outside of school. Third grade students will then be issued a Chromebook. Students in grades K-2 will utilize Chromebooks in their classrooms.

All parents and students are required to read and understand the 1:1 Chromebook Program Student Guidelines and are required to sign the Student Guidelines Agreement. Haddon Heights Board of Education Technology Policies 2361 and 7523 and Regulation 2361 should also be reviewed. (Student Guidelines, Agreement, and Policies attached in email)

**This year, students in grades 4-12 will be issued their Chromebooks during the first day of school. There will be no summer pickup.** In order for your child to receive a Chromebook on the first day of school, the 1:1 Chromebook Program Guidelines Agreement must be signed by parent and student and submitted. This form, as well as other district forms, can be found in Powerschool account and then click on the tab **Ecollect Form** on the left-hand side. Click on ECollect Forms and find the Chromebook Program Guidelines Agreement and submit. An agreement is needed for each individual student.

If you have any questions, please contact me via email ([cornr@hhsd.k12.nj.us](mailto:cornr@hhsd.k12.nj.us)) or phone (856-547-1412 Ext 1202).

Sincerely,  
Ronald Corn  
Director of Curriculum and Instruction
