

ELEMENTARY STUDENT ACTIVITY FEE REMITTANCE FORM

1. All participants in athletics, elementary band, elementary choir, color guard and the Jr./Sr. High School Musical and other eligible clubs will be assessed an annual fee due by the **first game or activity meeting**. This fee covers sports, clubs, and co-curricular activities for the entire school year. If your child is participating in an elementary activity you will pay the \$50 Elementary Activity Fee. If your child is participating in a Jr./Sr. High School activity, you will need to pay the \$125 Jr./Sr. High School Activity Fee and fill out the High School Activity Fee form.
2. The user-fee for clubs, athletics and extra-curricular activities is non-refundable. Any participant who leaves a club, activity or team voluntarily or who is dropped for disciplinary reasons is not eligible for a refund.
3. If a student is not selected for a sport or activity, the activity fee will be refunded if it is the only activity in which the student plans to participate during the school year. The parent/guardian must request the refund in writing, and have the request signed by the principal for elementary activities and the Athletic Director of Jr./Sr. High School activities.
4. All payments should be made by check or money order payable to the Haddon Heights Board of Education. Students who are eligible for free or reduced lunch may be approved for a fee waiver after verification by the Athletic Department.
5. Parents and students should understand that this fee entitles the participant to a place in an activity. It does not guarantee participation time in games, leads in performances, roles, positions, etc. These decisions will be made by the coaches and advisors. Fees collected are designed to help defray the cost of operating these activities.

ELEMENTARY SCHOOL ACTIVITY FEE

This letter is to inform you that the Board of Education has approved an Activity Fee that will be assessed for all students who participate in athletics and/or co-curricular programs during the 2016-2017 school year.

Co-curricular activities such as athletics, music programs, and after-school clubs are essential components of a well-rounded school experience. These activities carry costs that go beyond the academic program that remains a top priority for the Haddon Heights School District. While our community and School Board continue to support the wide array of after-school offerings available to our students, the realities of our school budget necessitate the creation of the Haddon Heights Public School Student Activity Fee. This fee will allow us to maintain many of the programs you have come to expect and enjoy within our schools. This fee will be assessed to students who wish to participate in co-curricular programs while in Elementary School. **All fees are due by the first day of activity/practice/meeting.**

Students in the Elementary Schools who wish to participate in a school sponsored co-curricular activity/program that requires a fee will be assessed a yearly fee to help offset the cost associated with these programs. Students eligible for free or reduced lunch may be granted a waiver after verification by the High School Athletic Department. If you wish to have your child(ren) participate in co-curricular activities, please complete and return the enclosed remittance form with the appropriate payment to the Athletic Department at the Jr./Sr. High School. Check or money order should be made payable to the Haddon Heights Board of Education. Please do not send cash.

The elementary fee structure for the 2016-2017 school year will be:

\$50.00 for one child

\$75.00 maximum family contribution for two or more elementary students.

\$10.00 for one child enrolled in the reduced lunch program.
